1 DELETE THE FOLLOWING Q AND A:

2  
3  
4 Q. Are there any other aspects of this filing which may influence RUCO's  
5 determination of the appropriate increase to the Company's revenue  
6 requirement?

7 A. Yes, RUCO is in the process of acquiring the expertise of a professional  
8 engineer to conduct an engineering analysis to determine if the Company's  
9 investment in the White Tanks plant was prudent and reasonable, and  
10 whether the plant is currently used and useful. The analysis will also verify  
11 the accuracy of all of the capacity and flow figures provided by the Company  
12 related to the plant as well as any of the operating expenses associated with  
13 the plant.
