Re: Tucson Electric Power Company – Notice of Compliance
Decision No. 72031, Docket No. E-00000D-09-0020

In Finding of Fact 7(e)(1)(i) of Decision No. 72031 (December 10, 2010), the Commission ordered that:

SWTC, APS, Tucson Electric Power Company (“TEP”) and Sulphur Springs Valley Electric Cooperative (“SSVEC”) shall jointly complete additional actions and file specified information related to the Cochise County Study Group plan of service with the Commission as follows: By June 30, 2011, identify the components of the plan in a facilities report that provide the most benefit to customer reliability and can be implemented in the shortest timeframe, and file a progress report with the Commission that includes planned in-service dates for all relevant elements of the plan reflecting these priorities.

TEP hereby gives notice that on June 30, 2011, SWTC filed the progress report on behalf of the Cochise County Study Group, including TEP. Therefore, TEP has complied with the filing requirements in Decision No. 72031. Please contact me if you have any questions.

Sincerely,
