DOCKETED BY 

Attention Carmel Hood:

Following up our recent telephone conversation I am submitting this letter with 13 copies to be docketed in behalf of Sacramento Utilities, Inc. In docket number SW-20576A-08-0067 in decision 71119 Sacramento Utilities LLC is required as a compliance item to file each year a Report Detailing The Amount of Effluent Sold in the preceding year along with an explanation of any difference between effluent amounts produced and sold in the proceeding year along with a detailed description of the efforts undertaken by the Company to sell effluent to other entities.

To date while the facility has been constructed it has not be placed in service, therefore, no effluent has been generated or available for sale. Since it is unknown when this facility may be put into service no efforts have been undertaken by Sacramento to sell effluent to other entities.

Sincerely,

Dwight Zemp

Manager
