AT&T Going to be old Ma Bell again because AT&T Will have over 130 million customer and specaily Verizon okay why Since u approve this u are taking our phone choices away okay Customers goes for Low prices T-Mobile U can add a line for \$5 month like 5 lines \$5 month at&t lines for 5 line \$49.99 who cheaper T-Mobile is it fare to customers no because taking a choice away it will put sprint Acquire by verizon of Twins bells did Judge Green broke At&t yes he did now AT&T will be back of 1980s of ma bell again putting AT&T Verizon of market share 80% FCC DOJ look at cousmers of opposing and Even T-Mobile owner deutsche Telekom oppose the deal two AT&T acquire Qualcom specturm and T-Mobile givin market power i strongly urge u look at the deall or i will report the government big time okay i am serious i am t-mobile customers taking company away shutting there network taking parts will harm me and effect cousmers thousand t-mobile customers wants to cancel there serivces because AT&T harm them i was told by call center reps they are getting laid off shutting call centers down so AT&T is not great company i will give u a speech a judge greene said

AT&T/T-Mobile: Why this New Monopoly is Bad for Consumers

Analysis: Does the AT&T/T-Mobile merger give AT&T too much power?

U.S. Federal Judge Harold Greene broke up AT&T in an antitrust suit that started in 1949. Now, after the acquisition of T-Mobile, AT&T&T will dominate again

## UTILITY COMPLAINT FORM

---

Behind the scenes are an army of lobbyists and lawyers working the halls of U.S. Congressional Office Buildings in a full-court-press attack on those that would oppose the merger. This tactic has obviously worked before. I watched as in my neighborhood, Indiana Bell became Ameritech became Southwestern Bell. In a reverse merge deal, Southwestern Bell, already bloated with acquisitions, became AT&T after divesting certain assets. Just about everything Judge Greene did has now been undone. As the U.S. loses its landlines, AT&T is holding onto what's left. If you though that the U.S. mobile market was ugly, AT&T&T will prove the point that monopolies stink, and AT&T's bloat will finally allow them to rise above the label of being Southwestern Bell -- with lipstick so i urge u hold approval u have did nothing right losing my low cost carrier going be breakdown.

### Utilities' Response:

### Investigator's Comments and Disposition:

7/8/11 I spoke with Wil Shand in our Telecom Div, he explained that the Commission had some jurisdictional authority of the affiliated interest rules for the re-organization of the Holding Company. But we do not regulate both AT&T and T-Mobile for their rates, output and input of the calls.
