Re: Black Mountain Sewer Corporation  
Docket # SW-02361A-08-0609  
De-commissioning the Boulders WWTP

Members of the Commission:

We, Charles E. and Sarah P. Breed have resided at 1598 Quartz Valley Drive, in the Boulders, Scottsdale for 17 years. For the first several years there was no problem with the plant, but for about the last decade we and all our neighbors and resort guests have been assailed by noxious and unhealthful emissions from the plant and we respectfully ask you to follow through with the de-commissioning of the plant which has long outlived its useful purpose.

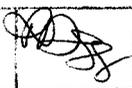

Sincerely,

*Charles E. Breed*  
*Sarah P. Breed*
