RE: Keaton Development Company for an Extension of its existing Certificate of Convenience and Necessity.  
Docket No. W-02169A-08-0301

On February 6, 2009, the Commission issued Decision No. 70745 which granted an Order Preliminary to the issuance of an extension to the Certificate of Convenience and Necessity ("CC&N") for Keaton Development Company ("Keaton") for the provision of water service in portions of La Paz County, Arizona.

Pursuant to the order, Keaton was to file multiple compliance items within 3 years of the effective date of the order or the Order Preliminary would be deemed null and void.

On February 17, 2011, Keaton filed a memorandum in the docket stating that the owner / developer indicated that they have no plans to proceed with the project for which the extension was requested and are no longer requesting water services from Keaton. Therefore, Keaton requested that the Order Preliminary be null and void.

Staff has no objection to the request of Keaton and recommends this docket be closed. Therefore, this memorandum serves as notice to Docket Control Center to Administratively Close Docket No. W-02169A-08-0301 as per Decision No. 70745.
