Subject: Utility Rate Increase

ORIGINAL

Utility Name: Southwest Gas Corporation

Docket Numbers: G-01551A-10-0458

I would like to respectfully request that you not grant the increase they are asking for. First I know of no other business that expects to get paid the same amount, for services they are not even rendering. To ask us to conserve is great, but then ask us to pay for what we do conserve is ludicrous. That and those of us that live in HOAs with swimming pools and facilities, will be paying double and triple the increase, because the cost of that increase, if granted, will be passed on to those of us on fixed incomes. We don't feel that is fair, especially in this economy.

I will not be able to attend the meeting on this matter, but would like my e-mail to be considered as part of the public comment period.

Thanks You,

Lana Miller
