RE: IN THE MATTER OF THE APPLICATION OF PAY PHONE NETWORK, INCORPORATED FOR APPROVAL TO CANCEL THEIR CERTIFICATE OF CONVENIENCE AND NECESSITY (DOCKET NO. T-02948A-11-0190)

On May 2, 2011, Pay Phone Network, Incorporated ("Pay Phone Network") filed an Application with the Arizona Corporation Commission ("Commission") to cancel its Certificate of Convenience and Necessity ("CC&N") to provide customer owned pay telephone ("COPT") service. The Commission granted Pay Phone Network a CC&N to provide COPT service in Decision No. 59668, dated May 15, 1996.

The Applicant stated in its Application that as of January 19, 2011 Pay Phone Network was no longer in the payphone business and that the business had been sold. Staff contacted the Applicant and Mr. Ray Odom indicated that the payphone equipment had been scraped. Mr. Odom also waived his right to a hearing and his right to receive notice of a hearing in order to cancel the CC&N.

On July 1, 2011, the Compliance Section of the Utilities Division indicated that there are currently no compliance delinquencies for Pay Phone Network. The Consumer Services Section of the Utilities Division reports that there have been no complaints or opinions filed against Pay Phone Network through May 13, 2011. Consumer Services also reports that the Corporations Division has indicated that the Applicant is in Good Standing.

Staff recommends that the Application to cancel the CC&N be approved. Upon cancellation of its CC&N, the Applicant will not be authorized to provide COPT telecommunications services in the state of Arizona and therefore, will not be subject to any of the requirements of Decision No. 59668.
