Docket No. W-01303-A-11-0101

Dear Commission Members,

My wife and I, as customers of Arizona American Water Co. are concerned about the sale of AAWC to EPCOR to the extent that proposed rate increases may be tied to this transaction to make the sale more readily acceptable. We realize that sales of companies happen on a regular basis and have no objection to that as long as rates are not raised with double digit increases because of this action. A rate freeze along with the sale would be a good thing.

We need you to look after our interests.

Thank you for you consideration.

Dave and Marcy Keppy
