AZ CORP COMMISSION
DOCKET CONTROL

DOCKETED BY

Subject: MOTION TO INTERVENE in the Application of the Arizona American Water Company for an increase in its Rates and Charges for utility service.

Ref: DOCKET NO. W-01303A-10-0448

As President of the Kingswood Parke Community Association, Inc. (KWP Association), I am requesting that the KWP Association be allowed to intervene in the application submitted by the Arizona American Water Company for a permanent increase in annual revenue (i.e., increase in its water rates).

The KWP Association is a customer of the Utility and therefore has an interest in any increase in the water rates charged by the Agua Fria Water District via the American Water Company. The KWP Association represents over 1500 residential customers who are facing this proposed significant rate increase. This water rate increase also dramatically impacts the cost of water used in the Association's common areas (parks and lakes) which is passed on to the residents via their quarterly Association dues.

Therefore, on behalf of the KWP Association and its residents, I am requesting that KWP Association be allowed to intervene in this water rate increase case.

Sincerely,

William B. Lipscomb
