PROCEDURAL ORDER

11 **BY THE COMMISSION:**

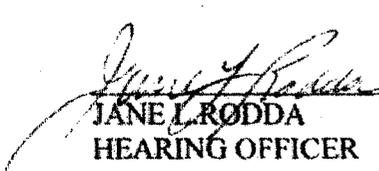

12 On January 12, 2000, the Arizona Corporation Commission ("Commission") issued Decision  
13 No. 62241, which among other things, authorized Vail Water Company ("Vail") to use advances  
14 from Developers to make certain improvements to Vail's facilities pursuant to a Participation  
15 Agreement between the Developers and Vail. In Decision No. 62450 (April 14, 2000), the  
16 Commission authorized Vail Water Company to finance various system upgrades that were to be  
17 partially funded by the advances authorized in Decision No. 62241.

18 On May 15, 2000, Vail filed a Motion for an Order to clarify the relationship between  
19 Decision 62241 and 62450. To avoid ambiguity in interpreting the two Decisions, Decision No.  
20 62450 should be modified to conform with Decision No. 62241 and to clarify that the funds received  
21 from the Developers pursuant to the Participation Agreement may be used for the looping of the  
22 system and not limited to the trenching to loop the system.
