DATE: August 26, 2011

RE: Vernon Valley Water, Inc. for an Extension of its existing Certificate of Convenience and Necessity.
Docket No. W-20540A-08-0178

On August 6, 2008, the Commission issued Decision No. 70464 which granted an Order Preliminary to the issuance of an extension to the Certificate of Convenience and Necessity ("CC&N") for Vernon Valley Water, Inc. ("VVW") for the provision of water service in portions of Apache County, Arizona.

Pursuant to the order, VVW was to file multiple compliance items within 2 years of the effective date of the order or the Order Preliminary would be deemed null and void.

On August 18, 2010, VVW filed a memorandum in the docket stating due to economic factors the Company is unable to provide the required compliance items. Therefore, VVW requested that an extension of time be granted moving the effective date of compliance to August 6, 2013.

Staff believes that this request requires a 40-252 and the Commission has not addressed the request of VVW. Therefore, this memorandum serves as notice to Administratively Close Docket No. W-20540A-08-0178 and this extension be deemed null and void per Decision No. 70464.
