Commissioner Gary Pierce
1200 W. Washington - 2nd Floor
Phoenix, AZ 85007

Dear Commissioner Pierce,

Southwest Gas is asking for a rate increase of more than \$65 a year for the average single family residence.

Thousands of Arizonans are out of work.

There have been no Social Security COLA increases for two years.

The cost of food and gasoline are way up.

Many Arizonans are struggling to make ends meet.

Many of us are getting older and the economy is getting more dreary. The cost of utilities, especially in Arizona, is outrageous. I am on social security and can barely make ends meet, yet I have to pay the companies or I have no air, sewer, water, or trash pick up. Is there no discounts on utilities for senior members of society or is it just greed, greed, greed? R. Hogan

As an elected Commissioner, please don't grant the Southwest Gas request to raise our rates more than \$65 a year.

Please vote NO on the South West Gas rate increase request!

Thank you.

Sincerely,

Miss Rhonda Hogan
