**ORIGINAL**

I AM VERY MUCH OPPOSED TO THE SMART METERS! I AM A SENIOR AND DEFINITELY WANT TO EXPRESS MY CONCERNS ABOUT BEING MICROWAVED 24/7 IN MY OWN HOME. THAT METER WOULD BE 16" FROM MY HEAD WHEN I SLEEP AND MY FURNITURE IS BUILT IN SO I CANNOT MOVE IT. I HAVE CAREFULLY RESEARCHED ALL THE SCIENTIFIC FINDINGS ABOUT THESE SMART METERS AT ELECTRICALPOLLUTION.COM AS WELL AS OTHER SITES AND ONGOING REPORTS CONCERNING THEM. THESE METERS ARE A MONSTROUS HEALTH HAZARD AS WELL AS HAVING STARTED FIRES IN SOME HOMES WITH OLDER WIRING. SINCE I AM HOME ALL DAY THE EXPOSURE WOULD BE ONGOING AROUND THE CLOCK. I DO NOT USE A CELL PHONE, I DO NOT USE A MICROWAVE OVEN TO AVOID BEING EXPOSED TO MICROWAVES. I EAT ORGANIC FOOD AS A VEGETARIAN AND MAINTAIN AN EXTREMELY HEALTHY LIFESTYLE AND HAVE MANAGED TO LIVE 79 YEARS WITHOUT PRESCRIPTION DRUGS AND DOCTORS. I DO NOT INTEND TO ALLOW ARIZONA PUBLIC SERVICE DESTROY MY HEALTH WITH THEIR DEATH METERS.

I WILL BE JOINING THE ALLIANCE TO FIGHT THESE METERS ALL THE WAY!
