RE: MOTION TO INTERVENE in the Application of Arizona American Water for increase in its Rates and Charges for utility service.

DOCKET NO. W- 01303A-10-0448

My name, address and telephone number are listed at bottom of letter

I wish to intervene in the application for increases in the Water Rates and Charges filed by Arizona American Water Company. I am a residential customer of the Utility and therefore have an interest in the ramifications of an additional increase in the water rates. This increase is an 83% increase and in a struggling, down economy is unconstitutional.

I have neighbors in surrounding cities that pay less than what I pay and we don't even have grass landscaping. We have a desert landscaping front yard and nothing in the back and our August bill was 197.49. This is crazy! If there is an 83% increase these hard working tax paying citizens of Buckeye and Verrado will struggle even more.

I have three children and a stay at home wife. This will hurt us! I also run a youth sports league for community residents in Verrado and the increased water bills will effect their young athlete signing up for extracurricular activities that promote health and well being.

I hereby certify that a copy of this Notice of Intervention has been mailed to Arizona American Water Company PO Box 7150 Pasadena, CA 91109-7150 and Arizona Corporate Commission 1200 W. Washington St. Phoenix, AZ 85007
