Commissioner Gary Pierce
1200 W. Washington - 2nd Floor
Phoenix, AZ 85007

Dear Commissioner Pierce,

Southwest Gas is asking for a rate increase of more than \$65 a year for the average single family residence.

Thousands of Arizonans are out of work.

There have been no Social Security COLA increases for two years.

The cost of food and gasoline are way up.

Many Arizonans are struggling to make ends meet.

As an elected Commissioner, please don't grant the Southwest Gas request to raise our rates more than \$65 a year.

Please vote NO on the South West Gas rate increase request!

Thank you.

Sincerely,

Ms. ti bader

Dear Commissioner,

Thousands of Arizonans are out of work.

There have been no Social Security COLA increases for two years.

The cost of food and gasoline are way up.

Many Arizonans are struggling to make ends meet.

Those of us who have to struggle to live on Social Security fight a monthly battle just to decide whether to go buy food or, in some cases needed medications.

Even by leaving our cars at home and riding the bus, whose rates have also gone up, we cannot sometimes cover all expenses.

If you allow a rate increase, some of us will simply have to turn off our heat this winter. This will lead to increased health issues and possibly, in some cases, even death.

As an elected Commissioner, please don't grant the Southwest Gas request to raise our rates more than \$65 a year.

Please vote NO on the South West Gas rate increase request!

Thank you.

Gary H. Ashberger
