DOCKETED BY 

Dear Commissioner Kennedy,

APS and Southwest Gas together are asking for your approval to raise average residence utility costs more than \$140 a year.

Please do not approve the APS and Southwest Gas requests.

Our family lives on a very fixed income. We cannot tolerate increased utility fees with no increase in income.

Catherine Huffman

I'm counting on you, as an elected Commissioner.

Please vote NO on the requests to raise rates more than \$140 a year.

Thank you.

Sincerely,

Dear Commissioner Kennedy,

APS and Southwest Gas together are asking for your approval to raise average residence utility costs more than \$140 a year.

Please do not approve the APS and Southwest Gas requests.

Now is not the time for an average residence to have utility costs increased more than \$140 a year.

Thousands of Arizonans are out of work.

There have been no Social Security COLA increases for two years.

The costs of food and gasoline are way up.

Many Arizonans are struggling to make ends meet.

Now is not the time to raise our combined gas and electric rates for an average residence over \$140 a year.

I'm counting on you, as an elected Commissioner.

Please vote NO on the requests to raise rates more than \$140 a year.

Thank you.

Sincerely,

Mrs. Verna Sanders

Please do not approve the APS and Southwest Gas requests.

Now is not the time for an average residence to have utility costs increased more than \$140 a year.

Thousands of Arizonans are out of work and many more are retired and on fixed incomes. 13.8 million in Arizona to be exact!

There have been no Social Security COLA increases for two years.

The costs of food and gasoline are way up and expected to get worse.

Many Arizonans are struggling to make ends meet.

Now is not the time to raise our combined gas and electric rates for an average residence over \$140 a year.

Thank you for hearing us.

I'm counting on you, as an elected Commissioner.

Please vote NO on the requests to raise rates more than \$140 a year.

Thank you.

Dear Commissioner Kennedy,

APS and Southwest Gas together are asking for your approval to raise average residence utility costs more than \$140 a year.

Please do not approve the APS and Southwest Gas requests.

Greetings,

This letter represents 33 Homeowners of the Carefree Estates HOA. We are still baffled on why we are paying to finance the purchase of Black Mountain Sewer a Foreign Corporation for sewer services when some of us have septic(s) tanks. But now is not the time for an average residence to have utility costs increased more than \$140 a year. Thousands of Arizonans are out of work and retired people are living on fixed incomes. There have been no Social Security COLA increases for two years.

The costs of food and gasoline are way up and we are bound to have another recession. Many Arizonans are struggling to make ends meet and SW and APS are spending time and money to enhance a golf course and resort but not the desired services to the CE/HOA community. Now is not the time to raise our combined gas and electric rates for an average residence over \$140 a year.

I'm counting on you, as an elected Commissioner.

Please vote NO on the requests to raise rates more than \$140 a year.

Thank you.

Sincerely,

Mr. Derrick Hyatt

This kind of increase will have a devastating effect on Arizona residents. With the price of gasoline at \$3.30/gallon, additional necessary house expenses, gthe economy will "really" suffer.

I'm counting on you, as an elected Commissioner.

Please vote NO on the requests to raise rates more than \$140 a year.

Thank you.

Dear Commissioner Kennedy,

APS and Southwest Gas together are asking for your approval to raise average residence utility costs more than \$140 a year.

Please do not approve the APS and Southwest Gas requests.

Now is not the time for an average residence to have utility costs increased more than \$140 a year.

Thousands of Arizonans are out of work. It's already hard enough to pay all our bills. We already cut back as much as possible to save on the current energy bills.

Raises are not being given out like they used to, but prices keep going up. The costs of food and gasoline are also way up.

Many Arizonans are struggling to make ends meet.

Now is not the time to raise our combined gas and electric rates for an average residence over \$140 a year. This amount is way to high especially for companies that are already making millions in profit each year.

I'm counting on you, as an elected Commissioner.

Please vote NO on the requests to raise rates more than \$140 a year.

Thank you.
