 SERVICE. )

On March 28, 2008, Vernon Valley Water, Inc. filed for an extension of its existing Certificate of Convenience and Necessity. On August 6, 2008, the Commission issued Decision No. 70464, which granted an Order Preliminary to the issuance of an extension. Pursuant to the decision, the Company was to file multiple compliance items within two years of the effective decision date or the Order Preliminary would be deemed null and void. On August 18, 2011, the Company filed a request for an extension of time to comply with the decision. On August 26, 2011, Staff filed a Memorandum requesting that this docket be administratively closed, and that the Order Preliminary be deemed null and void. This was due to the Company's request for the extension of time, which if granted, would require Commission action pursuant to A.R.S. §40-252.

Per Procedural Order issued on August 29, 2011, by Marc E. Stern Administrative Law Judge, this docket should be closed. Therefore, this docket is administratively closed and the Order Preliminary authorized by Decision No. 70464 is hereby deemed null and void.

An Administrative Closure Number has been assigned to this matter which officially closes the docket. **This is not a signed order of the Commission and is for record keeping purposes only.**
