**Re: Sulphur Springs Valley Electric Cooperative – Notice of Compliance
Decision #72031, Docket E-00000D-09-0020**

In Finding of Fact Section 7-e-1-ii of ACC Order #72031 (December 10, 2010), the Commission ordered:

“SWTC, APS, Tucson Electric Power Company (“TEP”) and Sulphur Springs Valley Electric Cooperative (“SSVEC”) shall jointly complete additional actions and file specified information related to the Cochise County Study Group plan of service with the Commission as follows:

By September 30, 2011, submit a progress report including in-service dates for the components of the plan of service identified in the June 30, 2011, facility study. This schedule shall reflect the most recent load forecast.”

SSVEC hereby gives notice that on Friday, September 30, 2011, SWTC filed the progress report on behalf of the Cochise County Study Group, including Sulphur Springs Valley Electric Cooperative. Therefore, SSVEC has complied with filing requirements in Decision #72031. Please contact me if you have any questions.

Sincerely,

David Bryan, P.E.
Planning Engineer
