(Docket E-01345A-11-0224)

Dear Commissioners:

I have been a resident in Anthem Golf & Country Club community for over 7 years and have seen our electric and water rates increase significantly over that time. APS request for a current rate increase, at a time when everyone is feeling the pinch of the downturn(recession) in the economy, is unconscionable. Most home are having a hard times making ends meet. An average 6% increase in an economic environment where most homes have had a decrease in earning power is unacceptable and should not be approved.

Yours respectfully,

Marilyn Witt
