Arizona Corporation Commission

DOCKETED

OCT 25 2011

DOCKETED BY

DATE: OCTOBER 25, 2011

DOCKET NO.: T-20538A-10-0332

TO ALL PARTIES:

Enclosed please find the recommendation of Administrative Law Judge Yvette B. Kinsey. The recommendation has been filed in the form of an Order on:

I-WIRELESS, LLC
(ELIGIBLE TELECOMMUNICATIONS CARRIER)

Pursuant to A.A.C. R14-3-110(B), you may file exceptions to the recommendation of the Administrative Law Judge by filing an original and thirteen (13) copies of the exceptions with the Commission's Docket Control at the address listed below by **4:00** p.m. on or before:

NOVEMBER 3, 2011

The enclosed is NOT an order of the Commission, but a recommendation of the Administrative Law Judge to the Commissioners. Consideration of this matter has tentatively been scheduled for the Commission's Open Meeting to be held on:

NOVEMBER 8, 2011 and NOVEMBER 9, 2011

For more information, you may contact Docket Control at (602) 542-3477 or the Hearing Division at (602) 542-4250. For information about the Open Meeting, contact the Executive Director's Office at (602) 542-3931.

IN THE MATTER OF THE APPLICATION OF
I-WIRELESS, LLC FOR DESIGNATION AS AN
ELIGIBLE TELECOMMUNICATIONS CARRIER
IN THE STATE OF ARIZONA FOR THE LIMITED
PURPOSE OF OFFERING LIFELINE SERVICE
TO QUALIFIED HOUSEHOLDS.

DOCKET NO. T-20538A-10-0332

DECISION NO. _____

ORDER

Open Meeting
November 8 and 9, 2011
Phoenix, Arizona

BY THE COMMISSION:

* * * * *

Having considered the entire record herein and being fully advised in the premises, the Arizona Corporation Commission (“Commission”) finds, concludes, and orders that:

FINDINGS OF FACT

I. Procedural History

1. On August 6, 2010, i-wireless, LLC (“i-wireless” and the “Company”) filed with the Commission an application for designation as an eligible telecommunications carrier (“ETC”) for the limited purpose of offering Lifeline Service to qualified households in Arizona.

2. On October 14, 2010, the Arizona Local Exchange Carriers Association (“ALECA”) filed a Motion to Intervene (“Motion”) in this proceeding. The Motion stated ALECA is comprised of small telephone companies and member-owned cooperatives, all of which provide local exchange telecommunication services to customers in rural, high-cost areas of Arizona. In its Motion, ALECA expressed concern that i-wireless’ offering may unfairly duplicate the similar offerings of its member companies. No objections were filed to ALECA’s Motion to Intervene.

1 3. On December 7, 2010, by Procedural Order, ALECA's Motion to Intervene was
2 granted and a procedural conference was scheduled for January 10, 2011.

3 4. On January 4, 2011, Michael W. Patten filed Notice of appearance as local counsel on
4 behalf of i-wireless.

5 5. On January 10, 2011, i-wireless filed responses to Staff's First Set of Data Requests.

6 6. On the same date, the procedural conference was held as scheduled. i-wireless,
7 ALECA, and the Commission's Utilities Division ("Staff") appeared through counsel. During the
8 procedural conference, discussions were held regarding a procedural schedule for this matter.

9 7. On February 11, 2011, by Procedural Order, i-wireless, ALECA, and Staff were
10 directed to file, by March 18, 2011, a joint status report updating the Commission on the status of the
11 application and discussing whether there had been resolution of any issues raised in this docket.
12 Further, i-wireless was directed to provide, by February 28, 2011, notice of its application and a copy
13 of the February 11, 2011, Procedural Order, to all Arizona rural incumbent local exchange carriers
14 that were not members of ALECA.

15 8. On March 8, 2011, i-wireless filed an Affidavit of Mailing.

16 9. On March 18, 2011, i-wireless, ALECA, and Staff filed a Joint Status Report
17 ("Report"). The Report stated that because i-wireless continues to request ETC designation for some
18 tribal lands, the issue should be addressed in a hearing. The Company requested that the matter be
19 bifurcated to allow the non-tribal land request for ETC designation to go forward without a hearing
20 and that a hearing be held on the ETC designation for the tribal land at a later time. Staff and
21 ALECA objected to i-wireless' recommendation that the proceeding should be bifurcated. Staff
22 requested that the matter be set for hearing.

23 10. On April 11, 2011, i-wireless filed responses to Staff's Second Set of Data Requests.

24 11. On May 9, 2011, i-wireless filed responses to Staff's Third Set of Data Requests.

25 12. On June 13, 2011, by Procedural Order, a hearing was scheduled to begin on August
26 31, 2011, i-wireless was directed to provide notice of its application and hearing date by July 15,
27 2011, and other procedural deadlines were established.

28 13. On June 24, 2011, i-wireless filed its affidavit stating the notice had been published in

1 the *Arizona Republic*, a newspaper of general circulation in Arizona.

2 14. On July 18, 2011, Staff filed a Staff Report recommending approval of i-wireless'
3 application, subject to certain conditions.

4 15. On July 26, 2011, i-wireless filed Comments on the Staff Report.

5 16. On July 28, 2011, the National Tribal Telecommunications Association ("NTTA")
6 filed a Motion to intervene. NTTA's motion stated that NTTA is comprised of 10 tribally owned
7 telecommunications companies providing telecommunication services on the reservations. The
8 motion stated that six of NTTA's members provide local exchange, including discounted Lifeline
9 services to customers in rural, high cost areas of Arizona and receive support from the Federal
10 Universal Service Fund ("FUSF"). NTTA's motion requested, among other things, intervention to
11 protect consumers residing on tribal lands.

12 17. On August 12, 2011, the parties filed a copy of an executed Stipulation Between
13 ALECA and i-wireless ("Stipulation"). In the Stipulation, i-wireless agreed not to provide Lifeline
14 and Linkup services within Arizona zip codes that are located within Federally-Recognized Tribal
15 lands and to have all applicants for Lifeline services within its designated service self-certify under
16 penalty of perjury that they do not reside within Federally-Recognized Tribal lands.

17 18. On August 18, 2011, NTTA filed a notice withdrawing its motion to intervene, stating
18 that with the Stipulation between ALECA and i-wireless, and the recent adoption of a resolution by
19 the Inter-Tribal Council of Arizona ("ITCA") requiring all telecommunications carriers to obtain
20 Tribal consent prior to serving on tribal lands, NTTA concluded that it no longer needed to intervene
21 in this proceeding.

22 19. On August 23, 2011, Staff, the Company, and Intervenor ALECA initiated a
23 telephonic procedural conference with the Commission's Hearing Division. During the telephonic
24 procedural conference, Staff and the parties stated that all issues involving the application had been
25 settled and that the evidentiary portion of the hearing could be vacated. It was determined that
26 because notice of the application and hearing date had been published, public comment would be
27 taken on the hearing date and the evidentiary portion of hearing would be vacated.

28 20. On August 24, 2011, i-wireless filed Notice of Filing Revised Zip Code List for ETC

1 Designation.

2 21. On August 31, 2011, the public comment hearing convened as scheduled before a duly
3 authorized Administrative Law Judge of the Commission. Staff and the parties appeared through
4 counsel. No members of the public were present to give public comment, and the matter was taken
5 under advisement pending submission of a Recommended Opinion and Order to the Commission.

6 **II. Background**

7 22. i-wireless is a telecommunications limited liability company, incorporated under the
8 laws of North Carolina, with its principal place of business in Newport, Kentucky.¹

9 23. On August 6, 2010, i-wireless filed with the Commission an application for
10 designation as an ETC to provide Lifeline services to qualified low-income households in Arizona.

11 24. i-wireless has been conducting business in Arizona since 2007 as a reseller of
12 commercial mobile radio service ("CMRS") providing prepaid wireless services through Sprint
13 Nextel's ("Sprint") network and using Sprint's infrastructure and wireless transmission facilities to
14 operate as a Mobile Virtual Network Operator ("MVNO").²

15 25. i-wireless is 50 percent owned by The Kroger Company ("Kroger") and 50 percent
16 owned by Genie Inc.³

17 26. i-wireless intends to sell its Lifeline services using its 118 Kroger store network
18 located throughout Arizona, under the brand name Access Mobile.⁴

19 27. Under the Lifeline Program, i-wireless will offer qualifying customers a 911 capable
20 free handset, the option to choose from several prepaid plans (without going through credit checks,
21 long-term service contracts, or incurring activation fees) where customers are only charged for the
22 minutes they use, and customers will receive a limited amount of free voice usage at no charge.⁵ In
23 addition, Lifeline customers will have access to a variety of other features at no cost, including voice
24 mail, caller I.D., call waiting, and E911 capabilities. Under the program, customers can also earn
25

³ Response to Staff's Third Set of Data Requests at 1.

28 ⁴ Response to Staff's First Set of Data Requests at 10.

⁵ Id. at 16.

1 Free Minutes by shopping at select Kroger stores using their loyalty cards.⁶

2 28. i-wireless differentiates its proposed Lifeline services from other wireless ETCs and
3 prepaid competitors in that i-wireless does not charge for incoming text messages, balance inquiries,
4 or calls to i-wireless' customer service (except for customers utilizing the 250-minute option), and
5 unused minutes are carried forward from one month to the next.⁷

6 29. ALECA is comprised of small telephone companies and member-owned cooperatives
7 providing local exchange telecommunication services to customers in rural, high cost areas of
8 Arizona, and are considered "rural telephone companies" under the Telecommunications Act of 1996
9 ("1996 Act").⁸

10 30. ALECA states its members are Fort Mojave Telephone Company; Frontier
11 Communications Corporation; Gila River Telecommunications, Inc.; Hopi Telecommunications, Inc.;
12 Midvale Telephone Exchange, Inc.; San Carlos Apache Telecommunications Utility, Inc.; South
13 Central Communications; Table Top Telephone Company, Inc.; TDS; Tohono O'odham Utility
14 Authority; Valley Telephone Cooperative; and Zona Communications.⁹

15 31. ALECA stated that each of its members, including its Tribally-owned members,
16 receives support from the FUSF in the form of High Cost Support.¹⁰ ALECA is concerned that i-
17 wireless' proposed Lifeline services in Arizona will be duplicative of the services already provided
18 by its member companies and may cause the FUSF to grow to a point where its members'
19 compensation under the fund is endangered, and public support for the universal service programs
20 may be undermined.¹¹

21 32. NTTA is comprised of 10 Tribally-owned telecommunications companies providing
22 telecommunication services within their reservations.¹² NTTA states it is a rural telephone company
23 under the 1996 Act; it receives support from the FUSF in the form of High Cost Support; and it
24 provides discounted Lifeline services to customers in rural high cost areas in Arizona.¹³

27 ⁹ Id.

27 ¹⁰ Id. at 2.

28 ¹¹ Id.

28 ¹² NTTA Motion to Intervene at 1.

28 ¹³ Id.

1 33. Several of NTTA's members are also members of ALECA.¹⁴

2 34. ALECA and i-wireless have entered into a Stipulation whereby i-wireless will not
3 provide Lifeline or LinkUp service to eligible residents residing on Federally-Recognized Tribal
4 Lands in Arizona.¹⁵ Further, i-wireless agreed that its Lifeline enrollment application for Arizona
5 will require an applicant to provide a street address and for the applicant to self-certify under penalty
6 of perjury that the applicant does not reside on Federally-Recognized Tribal Lands.¹⁶ i-wireless also
7 agreed to program its data base so that Lifeline applications with addresses located entirely within
8 tribal lands will be denied.¹⁷

9 35. Based on the Stipulation between i-wireless and ALECA, ALECA stated it does not
10 oppose i-wireless' application and that a hearing was not necessary to address ALECA's concerns.¹⁸

11 36. NTTA withdrew its motion to intervene in this proceeding. Based on the resolution
12 passed by ITCA and the Stipulation reached between i-wireless and ALECA, NTTA concluded that it
13 no longer needed to intervene in this proceeding.¹⁹

14 **III. Requirements for Designation as an ETC**

15 **A. Telecommunications Act and FCC Rules**

16 37. Pursuant to 47 U.S.C. § 214(e)(1) of the 1996 Act, in order to qualify for designation
17 as an ETC a common carrier must meet the following requirements:

18 "A common carrier designated as an eligible telecommunications carrier
19 under paragraph (2) or (3) shall be eligible to receive universal service
20 support in accordance with Section 254 and shall throughout the service
21 area for which the designation is received – (A) offer the services that are
22 supported by Federal universal service support mechanisms under Section
23 254(c), either using its own facilities or a combination of its own facilities
and resale of another carrier's services (including the services offered by
another eligible telecommunications carrier); and (B) advertise the
availability of such services and the corresponding charges using media of
general distribution."

24 38. i-wireless acknowledges that Section 214(e)(1)(A) requires that a common carrier
25

26 ¹⁴ NTTA Motion to Intervene at 2.

27 ¹⁵ Stipulation at 1.

28 ¹⁶ Id.

¹⁷ Id.

¹⁸ Id. at 2.

¹⁹ Id. at 2.

1 seeking designation as an ETC must “offer services, at least in part, over their own facilities and the
 2 Federal Communication Commission (“FCC”) rules prohibits state commission from designating as
 3 an ETC a telecommunications carrier that offers services exclusively through resale of another
 4 carrier’s services.²⁰

5 39. i-wireless attached to its application a Forbearance Order issued by the FCC granting
 6 i-wireless forbearance from the facilities-based service requirement pursuant to Section 214(e)(1)(A)
 7 for an ETC for purposes of federal universal service support services, at least in part, over its own
 8 facilities.²¹ The FCC Order limited forbearance related to i-wireless’ proposed Lifeline service, but
 9 denied forbearance related to the Link Up program.²² The Forbearance Order requires i-wireless to:

- 10 a. Provide its Lifeline customers with 911 and enhanced 911 (“E911”) access
 11 regardless of the activation status and availability of prepaid minutes;
- 12 b. Provide its Lifeline customers with E911-compliant handsets and replace, at no
 13 additional charge to the customer, non-compliant handsets of existing
 14 customers who obtain Lifeline supported services;
- 15 c. Comply with conditions (a) and (b) as of the date it provides Lifeline services;
 16 and
- 17 d. Obtain a certification from each Public Safety Answering Point (“PSAP”)
 18 where i-wireless seeks to provide Lifeline service confirming that the carrier
 19 provides its customers with 911 and E911 access or self-certifying that it does
 20 so if certain conditions are met.
- 21 e. Require each of its customers to self-certify at time of service activation and
 22 annually thereafter that they are the head of the household and receive Lifeline
 23 supported service only from i-wireless;
- 24 f. Establish safeguards to prevent its customers from receiving multiple Lifeline
 25 subsidies from i-wireless at the same address;
- 26 g. Deal directly with the customer to certify and verify the customers’ Lifeline
 27 eligibility; and
- 28 h. Submit to the Wireline Competition Bureau a compliance plan outlining the
 measures the carrier will take to implement the obligations contained in the
 order within 30 days of the effective date of the order.²³

40. In compliance with the FCC Forbearance Order, i-wireless submitted a compliance

²⁰ Application at 4.

²¹ Application at Exhibit 2.

²² Application at Exhibit 2.

²³ Petition of i-wireless, LCC for Forbearance from 47 USC § 214(e)(1)(A), Order, FCC 10-117 (rel. June 25, 2010) (“FCC Forbearance Order”).

1 plan describing the measures i-wireless would take to implement the conditions placed on it in the
 2 Forbearance Order.²⁴

3 **B. Staff Recommendations**

4 41. In addition to the conditions set forth in the FCC Forbearance Order, Staff
 5 recommends approval of i-wireless' application for designation as an ETC subject to the following
 6 additional conditions:

- 7 a. i-wireless shall provide Lifeline customers who choose the 250-minute option
 8 free access to Customer Service from i-wireless handsets;
- 9 b. i-wireless shall file a tariff with the Commission, setting forth the rates, terms
 10 and conditions for its Lifeline service within 30 days of a Commission Order in
 11 this matter;
- 12 c. i-wireless shall notify the Commission of any future changes to its rates, terms
 13 and/or conditions regarding its Lifeline offerings and file such changes in its
 14 tariff and amend its tariff in compliance with A.R.S. § 40-367;
- 15 d. i-wireless shall make available Lifeline services to qualifying low-income
 16 applicants in its ETC service area no later than 90 days after a Commission
 17 decision and concurrently notify the Utilities Division Director, by making a
 18 filing in Docket Control, of the commencement date for such services;
- 19 e. i-wireless shall apprise the Commission of any customer complaints that may
 20 arise from its ETC service offerings by making a filing in Docket Control;
- 21 f. i-wireless shall provide a regulatory contact to the Commission through
 22 Docket Control;
- 23 g. In the event that i-wireless requests to relinquish its ETC status and no longer
 24 provide Lifeline services, it must provide notice to both the Commission and
 25 its customers. Such notice(s) shall be in accordance with A.A.C. R11-2-1107;
- 26 h. i-wireless shall submit an annual report by April 15th of each year, beginning
 27 April 15, 2012, that contains its total number of Lifeline subscribers, total
 amount of Federal USF support received and an affidavit stating that the
 Lifeline discounts or the equivalent are equal to the amount of total Federal
 USF support per line. The annual filing shall be submitted as a compliance
 item in this docket; and
- i. i-wireless will submit a quarterly report detailing the total number of Lifeline
 customers, the total number of customers removed from the customer base due
 to 60-day inactivity, the number of customers removed from the customer base
 due to annual verification, and the total number of customers who voluntarily
 relinquished Lifeline service. The quarterly report should be submitted as a
 compliance item in this docket on the 15th of the month following the end of a
 quarter, beginning October, 2011.

28 ²⁴ See, Application at Exhibit 2.

1 **V. i-wireless' Compliance with the Requirements for ETC Designation**

2 **A. Services Designated for Support**

3 42. i-wireless' application states it will offer services set forth in Section 54.101(a) and
4 Section 54.202(a) of the FCC rules, in order to receive FUSF support for its Lifeline services and to
5 comply with the requirements for ETC designation.²⁵ i-wireless' proposed services include:

- 6 a. Voice Grade Access to the Public Switched Telephone Network ("PSTN"): i-
7 wireless will provide voice grade access to the PSTN through the purchase of
8 wholesale CMRS services provide by Sprint, at a bandwidth that is at a
9 minimum between 300 and 3,000 MHz as required under the FCC rules;
- 10 b. Local usage: As part of the voice grade access to the PSTN, an ETC must
11 provide local calling services to its customers and offer plans that are
12 comparable to plans offered by incumbent local exchange carriers in the same
13 service area;
- 14 c. Dual Tone Multi-Frequency Signaling ("DTMF") or its Functional Equivalent:
15 i-wireless will provide DTMF signaling to expedite the transmission of call set
16 up and call detail information throughout its network and all handsets offered
17 for sale by i-wireless will be DTMF capable;
- 18 d. Single-Party Service or its Functional Equivalent: "Single-party service" is a
19 telecommunications service that permits only one party to be served by a
20 subscriber loop or access line during a telephone transmission. i-wireless will
21 provide single party service to its customers for the duration of each telephone
22 call and does not provide multi-party (i.e., party line) services;
- 23 e. Access to Emergency Services: i-wireless will provide 911 and E911 access to
24 all of its customers; comply with FCC regulations governing the deployment
25 and availability of E911 compliant handsets; comply FCC E911 requirements
26 applicable to all wireless resellers; and comply with 47 CFR § 54.202(a)(2)
27 requiring carriers to remain functional during emergency situations;
- 28 f. Access to Operator Services: i-wireless will offer all customers access to
operator services;
- g. Access to Interexchange Service: i-wireless will provide customers with
interexchange or long distance service at no additional charge;
- h. Access to Directory Assistance: i-wireless customers will be able to dial
"411" to reach directory assistance services from their wireless handsets; and
- i. Toll Limitation for Qualifying Low-Income Consumers: i-wireless describes
Toll Limitation as allowing customers to block completion of outgoing long
distance calls to prevent them from incurring significant long distance charges.
i-wireless will provide its customers with pre-paid, pay-as-you-go services and
will not offer services based on distance and minutes for local or domestic long
distance services will not be charged separately. i-wireless will require
customers to specifically authorize access for international services, for which
additional charges may apply.²⁶

²⁵ Application at 7.

²⁶ Id. 8-11.

1 43. Based on the information provided by i-wireless, Staff concluded that i-wireless'
2 proposed services comply with FCC rules to receive FUSF and therefore meets this ETC criteria.

3 **B. Advertising of Supported Services**

4 44. Pursuant to Section 214(e)(1)(A) of the 1996 Act and FCC rule 54.201(d)(2) i-
5 wireless states it will advertise the availability of its Lifeline services using media of general
6 distribution, including newspapers, radio, and the internet.²⁷ Further, i-wireless states it will design
7 advertising campaigns to promote the availability of its cost-effective wireless services; utilize its
8 retail partners to promote Lifeline services; and provide vendors with signage and written material
9 where Lifeline will be sold.²⁸ In addition, i-wireless will market its Lifeline services through its 118
10 Kroger owned stores in Arizona; reach qualifying customers by placing information on cash register
11 receipts printed for those customers using a qualifying program to pay; and the distribution of
12 brochures through various state and local social services agencies.²⁹

13 45. i-wireless provided samples of its advertising materials for Staff's review. Based on
14 the information provided by i-wireless, Staff concludes that i-wireless will advertise the availability
15 of its supported services and the corresponding charges using media of general distribution as
16 required by FCC rules and that i-wireless meets this ETC designation criteria.

17 **C. ETC Requirements Pursuant to 47 C.F.R. § 54.202(a)(1)-(5)**³⁰

18 46. Pursuant to 47 C.F.R. § 54.202(a)(1) an "ETC applicant must demonstrate its
19 commitment and ability to provide the supported services throughout the designated service area by
20 providing services to all requesting customers within its designated service area and by submitting a
21 formal network improvement plan that demonstrates how universal service funds will be used to
22 improve coverage, signal strength, or capacity that would not otherwise occur absent the receipt of
23 high cost support."³¹

24 47. i-wireless states that it currently provides services through its underlying facilities-

26 ²⁷ Application at 12.

27 ²⁸ Id.

28 ²⁹ Response to Staff First Set of Data Requests at LM 1.39.

³⁰ Federal-State Joint Board on Universal Service, CC Docket No. 96-45, Report and Order, FCC 05-46 (rel. March 17, 2005)("ETC Minimum Requirements Report and Order").

³¹ Id.

1 based provider and i-wireless can commence offering its Lifeline service to all locations served by its
2 facilities-based provider upon Commission approval.³² Further, i-wireless states its underlying
3 facilities-based provider is operational and largely built out and therefore i-wireless can provide
4 Lifeline service to all qualified customers on a timely basis or within a reasonable period of time in
5 accordance with FCC rules.³³ However, i-wireless states that the FCC rule for an ETC to provide a
6 network improvement plan does not apply to i-wireless because it is not seeking “high cost” USF
7 support.³⁴ i-wireless states that because it is seeking ETC designation solely for purposes of
8 reimbursement for the provision of subsidized Lifeline service eligible customer, submission of a
9 network improvement plan is not required.³⁵

10 48. Based on the information provided by i-wireless, Staff believes i-wireless meets the
11 non-facilities based portion of this ETC criteria.

12 49. In accordance with Section 54.202(a)(2), an applicant for ETC designation must
13 demonstrate that it “has a reasonable amount of back-up power to ensure functionality without an
14 external power source, is able to reroute traffic around damaged facilities, and is capable of managing
15 traffic spikes resulting from emergency situations.”³⁶

16 50. i-wireless states that its underlying carrier, Sprint, is a Tier 1 carrier, using a state-of-
17 the-art network, that can provide a reasonable amount of back-up power to ensure functionally
18 without an external power source, reroute traffic around damaged facilities, and manage traffic
19 spikes.³⁷

20 51. Based on the information provided by i-wireless, Staff concluded that i-wireless has
21 demonstrated its ability to remain functional in emergency situations by reselling the service of a
22 carrier that uses state-of-the-art network reliability standards. Therefore, Staff believes i-wireless
23 meets this ETC designation criteria.

24 52. i-wireless states it will comply with the consumer protection and service quality
25

26 ³² Application at 11.

27 ³³ Application at 12.

28 ³⁴ Id. at 11.

³⁵ Id.

³⁶ See, *ETC Minimum Requirements Report and Order*.

³⁷ Response to Staff’s Second Set of Data Requests at LM 2.16.

1 standards set forth in 47 C.F.R. § 54.202(a)(3).³⁸ i-wireless states that as a reseller, it will provide the
2 same consumer protections and service quality as its underlying carrier; it will comply with the
3 Cellular Telecommunications and Internet Association's ("CITA") Consumer Code for Wireless
4 Service; and that information on the Company's privacy policy will be included in each customer's
5 initial welcome packet and on the Company's website.³⁹

6 53. Based on the information provided by i-wireless, Staff believes i-wireless meets this
7 ETC designation criteria.

8 54. Pursuant to 47 C.F.R. § 54.202(a)(4), an ETC applicant must "demonstrate that it
9 offers a local usage plan comparable to the one offered by the incumbent local exchange ("LEC") in
10 the service areas for which it seeks designation."

11 55. According to Staff, i-wireless reported that its service offerings will be compatible to
12 other LECs and that in some respects i-wireless' services will exceed those of incumbent LECs.⁴⁰
13 i-wireless distinguishes its services from other incumbent LEC in that i-wireless will offer customers
14 a certain amount of service free of charge or at a discount, including calls made statewide or even
15 nationally, and customers will have a variety of features (voice mail, caller ID, call waiting, and E911
16 capability) at no additional charge.⁴¹

17 56. Staff states that although the FCC has not set a minimum local usage threshold, Staff
18 believes i-wireless meets this ETC designation criteria.

19 57. Applicants for designation as an ETC are required under 47 C.F.R. § 54.202(a)(5) "to
20 provide equal access to long distance carriers in the event that no other eligible telecommunications
21 carrier is providing equal access within the service area." Further, the FCC has determined it would
22 decide whether to impose the equal access requirements on a case-by-case basis.

23 58. In its response to Staff's Data Request, i-wireless acknowledged that the FCC may
24 require it to provide equal access to long distance carriers in the event no other ETC is providing
25 equal access within its designated service area. Staff concludes i-wireless has met this requirement.

26

³⁹ Response to Staff Second Set of Data Requests at LM 2.18.

⁴⁰ Staff Report at 8.

⁴¹ Id.

1 **D. ETC Requirements Pursuant to 47 C.F.R. §§ 54.410 and 54.416**

2 59. FCC rules require ETC providers to comply with certification of eligibility and
3 verification of continued eligibility for Lifeline and Link Up participation, dispute resolution and
4 recordkeeping procedures, and outreach for ETCs.

5 60. i-wireless certified that it will comply with the FCC's expanded eligibility criteria,
6 certification, verification, and recordkeeping requirements pursuant to Section 54.410, which were
7 adopted in Commission Decision No. 67941 (June 21, 2005).⁴²

8 61. FCC rules requires that the Commission establish a geographic area for the purpose of
9 determining universal service obligations and support mechanisms for each designated ETC.⁴³

10 62. i-wireless initially sought state-wide authority as an ETC, including providing service
11 to Federal-Recognized Tribal lands.⁴⁴ Through the Stipulation Agreement, i-wireless agreed to not
12 service customers residing on Federally-Recognized Tribal lands and ALECA withdrew its objections
13 to i-wireless' application.

14 63. Attached hereto and incorporated herein as Exhibit A, is the list of zip codes i-wireless
15 states encompasses its proposed designated service area.⁴⁵ i-wireless' proposed designated service
16 area consists of all zip codes listed in Exhibit A, with the exception of those zip codes located entirely
17 within tribal lands.

18 64. Staff expressed concerns over i-wireless' proposal to deduct minutes from Lifeline
19 customers' handsets for calling Customer Service if the Lifeline customer is under the 250 minute
20 monthly plan.⁴⁶ Staff states generally major wireless carriers do not deduct minutes for Customer
21 Service calls.⁴⁷ Staff recommends that i-wireless provide Lifeline customers choosing the 250 minute
22 option free access to Customer Service.

⁴⁴ Application at 14.

⁴⁵ Staff Report at Attachment 3.

⁴⁶ Staff Report at 12.

28 ⁴⁷ Id.

1 IT IS FURTHER ORDERED that i-wireless, LLC shall notify the Commission of any future
2 changes to its rates, terms and/or conditions regarding its Lifeline offerings and file such changes in
3 its tariff and amend its tariff in compliance with A.R.S. §40-367.

4 IT IS FURTHER ORDERED that i-wireless, LLC shall comply with all Federal
5 Communications Commission Rules and Staff's conditions as set forth in Finding of Fact Nos. 39,
6 40, and 41.

7 IT IS FURTHER ORDERED that i-wireless, LLC shall make available Lifeline services to
8 qualifying low-income applicants in its ETC service area no later than ninety (90) days after the
9 effective date of this Decision and shall concurrently notify the Commission's Utilities Division
10 Director of the commencement date for such services, by making a compliance filing in this docket
11 with Docket Control.

12 IT IS FURTHER ORDERED that i-wireless shall make a filing indicating a regulatory
13 contact for the Company within thirty (30) days of the effective date of this Decision or prior to
14 serving its first Lifeline customer, whichever comes first.

15 IT IS FURTHER ORDERED that in the event that i-wireless, LLC desires to relinquish its
16 Eligible Telecommunications Carrier status and no longer desires to provide Lifeline services, it shall
17 provide notice to both the Commission and its customers in accordance with A.A.C. R14-2-1107.

18 IT IS FURTHER ORDERED that i-wireless, LLC shall file with Docket Control, as a
19 compliance item in this docket, an annual report by April 15th of each year, beginning April 15, 2012,
20 that contains the total number of Lifeline subscribers, total amount of Federal Universal Service Fund
21 support received and an affidavit certifying that the Lifeline discounts or the equivalent are equal to
22 the amount of total Federal Universal Service Fund support per line.

23 IT IS FURTHER ORDERED that i-wireless, LLC shall file with Docket Control, as a
24 compliance item in this docket, a quarterly report detailing the total number of Lifeline customers, the
25 total number of customers removed from the customer base due to 60-day inactivity, the number of
26 customers removed from the customer base due to annual verification and the total number of
27 customers who voluntarily relinquished Lifeline service. The quarterly report shall be filed on the
28 15th of the month following the end of each calendar quarter, with the first filing due by January 15,

1 2012.

2 IT IS FURTHER ORDERED that i-wireless shall file with Docket Control, as a compliance
3 item in this docket, as part of its quarterly report discussing the number of customer complaints that
4 have been filed with the Company arising from its ETC service offerings in Arizona.

5 IT IS FURTHER ORDERED that i-wireless, LLC's designated service area as an Eligible
6 Telecommunications Carrier shall the zip codes attached hereto and incorporated herein as Exhibit A,
7 with the exception of those zip codes covering Federally-Recognized Tribal lands in Arizona.

8 IT IS FURTHER ORDERED that this Decision shall become effective immediately.

9 BY ORDER OF THE ARIZONA CORPORATION COMMISSION.
