- Re:

reference Docket Nos. SW-01303A-09-0343 and W-01303A-09-0343.

I do not agree with the deconsolidation of Anthem and Agua Fria; it should be retained as one district.

- If deconsolidation is approved, the average wastewater bill for Corte Bella residents will increase by \$40.37 a month - an annual increase of \$484.44 per household. The ACC needs to understand that Corte Bella residents cannot handle such a drastic increase in their monthly utility bills. You should describe how an increase in wastewater rates will impact you and/or your family financially.

Nature of Complaint:

Docket Nos.: SW-01303A-09-0343, W-01303A-09-0343, W-01303A-10-0448
Docket No. W01303A-10-0448

Mr. Pierce,

As a concerned Corte Bella resident I am writing to inform you that I am opposed to the deconsolidation of Anthem and Aqua Fria. It should be retained as one district.

If deconsolidation is approved, the average wastewater bill for Corte Bella residents will increase by \$40.37 per month. This an annual increase of \$484.44 per household. The ACC needs to understand that Corte Bella residents cannot afford such a drastic increase in our monthly utility bills. My wife and I are on a fixed income and have not received a cost of living increase for years. Everything is increasing except our pensions! We cannot continue to absorb these types of increases in our living expenses.

Additionally, Corte Bella residents are also facing a proposed 82.9% increase in water rates as part of Docket No. W01303A-10-0448. This will increase the average water bill by \$25.13 per month. As stated above, my wife and I are on a fixed income and cannot continue to absorb these added expenses.

The ACC approved the current makeup of the Anthem/Agua Fria Wastewater District nearly ten (10) years ago. However, at the request of the Anthem residents the ACC is now considering a proposal to deconsolidate the District. Deconsolidation will result in a 139.7% increase in wastewater rates for the Agua Fria Wastewater District and a mere 15.5% increase in wastewater rates for the new Anthem Wastewater District.

The ACC should not approve deconsolidation of the District under these circumstances.

Thank you for your consideration in this matter
