RE: Allied Riser of Arizona, Inc.
Docket No. T-03871A-00-0277

DOCKETED BY [Signature]

Dear Mr. Peterson:

On April 27, 2000, Allied Riser of Arizona, Inc. filed an application for a CC&N to provide facilities-based and resold intrastate toll telecommunications in the State of Arizona.

In order for Staff to continue with its review of this application, the following information must be submitted:

- A. Will your customers be required to (or have the option to) pay advances, prepayments, or deposits for any of your products or services? *(Please note that prepaid calling cards are considered de facto prepayments by the Commission.)*
- B. Provide a customer service number.
- C. List the states in which you or your affiliates currently offer any telecommunications services.

This information must be received by Docket Control within 30 days of the date of this letter. If no response is received within 60 days of the date of this letter, Staff will recommend that the application be terminated. If the application is terminated, the Applicant cannot provide resold intrastate toll telecommunications in Arizona, until such time as a new application is filed with and approved by the Commission.

If you have any questions, please contact me at (602) 542-0742. Thank you for your prompt response to this request.

Respectively,
