Subject: Additional Petitions in Support of Deconsolidation of The Anthem/Agua Fria Wastewater District

Attached are petitions signed by Anthem residents in support of deconsolidation of the Anthem/Agua Fria Wastewater District. As of today, nearly 200 residents have taken the time to sign the petition and share their comments on why they support deconsolidation. On behalf of Anthem residents, the Anthem Community Council would like the attached information from the petitions docketed with the Arizona Corporation Commission as well as sent to the Commissioners deciding this case so they're aware of where Anthem stands on this important issue.

As additional petitions are collected, they will be docketed with the Arizona Corporation Commission and sent to the Commissioners to continue to inform them on why Anthem residents support deconsolidation.

Communications Director  
Anthem Community Council  
ph: ( )  
fax: ( )

I, the undersigned, do hereby petition the Arizona Corporation Commission to approve the deconsolidation of the Anthem/Agua Fria Wastewater District for the following reasons:

1. In Decision 72047, the commission rejected statewide AND partial consolidation of any of Arizona-American Water Company's (AAWC) water and wastewater districts.
2. The Commission is on record stating tht utility customers should pay for the "cost of service" that is incurred by the provider of that service.
3. Under the current AAWC rate structure, customers of the Anthem portion of the consolidated Anthem/Agua Fria Wastewater District are the ONLY customers in the entire AAWC system who are paying MORE than the "cost of service" and are subsidizing customers of other wastewater systems.
4. Anthem has offered a 3-0year revenue-neutral transition plan that mitigates the rate shock to Agua Fria district customers.

Deconsolidation of the Anthem/Agua Fria Wastewater District will result in the consistent treatment of all customers within the Arizona-American-Water Company's systems.
