Re: Valley Pioneers Water Company, Inc. - Docket No. W-02033A-06-0262

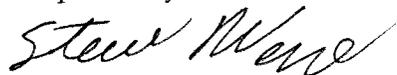

Dear Corporation Commission Staff:

We are writing on behalf of our client Valley Pioneers Water Company, Inc. ("Company"). Previously, the Company filed an Application for Extension of Certificate of Convenience & Necessity ("CC&N"). In Decision No. 70621 ("Decision") the Arizona Corporation Commission ("Commission") Staff issued an Order Preliminary requiring the Company to meet certain conditions before the CC&N extension would be final. The Decision added a provision stating that the CC&N extension would be null and void if the Company fails to timely comply with any of the conditions. Thereafter, Staff would file a memorandum to close the docket. See Decision No. 70621, p. 16, ln. 4-6.

The Company has informed the Commission Staff that it cannot meet the expansion conditions set forth in the Order Preliminary, and therefore, the Company believes it is appropriate for Commission Staff to close this docket at this time.

Should you have any questions please feel free to give me a call.

Respectfully,

Steve Wene
