Subject: Little Park Water Company Commercial Loan

Dear Mr. Gudovic:

Pursuant to our conversation, I reviewed the database of our bank. I did not find that Little Park Water Company ever obtained a commercial loan from us. In the last year, you and I had a discussion about obtaining a loan in the amount of \$140,000 for installation of arsenic treatment plant for the subject water company. Unfortunately, that loan was never issued. As a long time customer of our bank, we are more than glad to discuss with you any future needs for your company.

If I can be of any further assistance to you, please let me know. I can be reached at 928-607-9541

Very truly yours,

Ian W. Cribbs
Vice President
