Re: *TracFone Wireless Inc.*
Company No.: T-20664A
Decision# 72222

T-20664A-11-0425

Dear Sir/Madam:

Pursuant to Commissions Order designating TracFone Wireless Inc. ("TracFone") as an Eligible Telecommunications Carrier in the above captioned case, please find enclosed an original and 13 copies of an tariff update. We previously submitted this update in Docket T-20664A-0148. We have been advised this was an error, as this is a new filing, and not a compliance item.

The update inserts a table showing the various airtime cards currently available, along with the minute allotment provided with each card. The addition does not represent a change of any kind from current service offerings. The table has been added to provide additional information about existing service.

If you have any questions, please feel free to contact me at (305) 715-3613, or sathanson@tracfone.com.

Sincerely,

Stephen Athanson
Regulatory Counsel
