Subject: Request to move item#19 to May Open Meeting

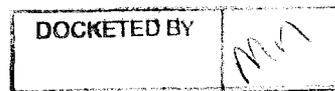

Anthem requests Item #19 involving Arizona American deconsolidation of Anthem/Agua Fria Wastewater District be removed from April Open Meeting and placed on the May Open Meeting Agenda for two reasons: (1) Anthem's CEO has other obligations during the April dates and Ms. Dworkin is scheduled to be out of State on business. Anthem has spoken to the Company (Tom Broderick) and the City of Phoenix (Cynthia Campbell) (which will not be filing it's Exceptions until April 23) and neither have an objection to the change. No party will be disadvantaged by the delay as the current consolidated rates will stay in effect. It is only Anthem that could benefit from an earlier decision. Thank you for your attention to this matter.
