RE: APS - DOCKET NO. E-01345A-11-0224

Dear Chair Pierce:

I want to personally thank you and the other Commissioners who came to Sun City to hear our residents' concerns over the decoupling provisions in the pending APS rate case. It is my understanding that the Commission will be discussing whether or not this case should be resolved through litigation or settlement at today's staff meeting.

As you are aware, this case has invoked a high volume of action from our community, and in an effort for our citizens to continue to be involved in the process, I would urge you and your fellow Commissioners to consider litigating, so that you, those we elected, have a higher role in the decisions made in this case.

My sincere gratitude for your service,

*Vance Coleman*
