Dear Commissioner Commissioner Stump,

UNS Gas is now seeking your vote to increase our home natural gas costs.

Please vote against this request.

Food, gasoline and even prescription costs are way up. Many are out of work. Homes are in foreclosure.

Now is not the time to raise household heating costs!

Those on Social Security have not seen a cost of living increase in two years.

Arizonans are being forced to tighten our belts. Why shouldn't the utility company also tighten theirs?

Two contracts I took a 2.5% contract reduction. This last contract we received about a 2.8% increase, which means with the raise in taxes and other mandatory deduction my take home pay is \$5.00 per month less than the previous year. This may not sound like much, but when you figure in the cost of living increases this is a lot.

---

Myself and many others cannot afford this increase.

I should be able to pay smaller bills if I use less.

Please vote against raising our home gas bills at this time. Thank you.
