DOCKETED
DEC 2 2011

Dear Commissioner Commissioner Newman,

DOCKETED BY [Signature]

Please do not grant APS' request to raise our residential electric rates.

An economic recession is not the time to increase household costs.

Thousands are out of work, costs for food, transportation, and other household expenses are way up. Many homes are in foreclosure.

Those on Social Security have not seen a cost of living increase in nearly three years.

Arizonans have had to tighten their belts - why shouldn't APS also tighten theirs?

I am going to school and I can't afford any more increases OF ANY KIND.

#1 we have solar panels and #2 wind generators all over Doney Park, Flagstaff, AZ why are they asking for a price increase when we are generator my power then is really needed for our area.

SO WHY THE INCREASES!! THEY DON'T HAVE ANY NEW CONSTRUCTION SO THEY THINK THE SENIORS AND NEW FAMILIES SHOULD PAY, NOT!!
