AZ CORP COMMISSION  
DOCKET CONTROL

Mr. Wilfred M. Shand, Jr.  
Utilities Division2  
Arizona Corporation Commission

Phoenix, Arizona 85007

T-01051B-11-0445

Dear Mr. Shand:

This filing is being made on behalf of Qwest Corporation, d/b/a CenturyLink QC, Entity Code T-01051B.

Enclosed for filing with the Commission is an original plus thirteen (13) copies of revisions to Qwest's Competitive Exchange and Network Services Price Cap Tariff No. 2.

Effective January 10, 2012, new language is being added for Core Connect® 1 to indicate that there is no minimum bill period for new customers who establish service but choose to disconnect within the first thirty (30) days. Customers will be charged only for the number of days that Core Connect was in service.

Additionally, miscellaneous text changes are included. References to Qwest Internet Services are being changed to CenturyLink Internet Services. Other references to Qwest are being retained for consistency with services elsewhere in the Arizona tariffs and will be changed at a later date. These changes do not impact customers.

CenturyLink respectfully requests that these proposed changes become effective January 10, 2012.

Acknowledgment and date of receipt of this transmittal are requested. A duplicate letter and self-addressed, stamped envelope are attached for this purpose. If you have any questions regarding this filing, please contact me directly.

Sincerely,
