RE: Status Update on RES Budget  
Docket No. E-1345A-11-0264

Dear Ms. Scott and Mr. Loquvam:

Thank you for your recent status update on the RES budget filed on December 8, 2011. I would like to commend APS for keeping the Commission apprised of additional unspent RES 2011 funds that can be applied to the 2012 Implementation Plan. I would like APS to please answer to following questions:

- (1) What would the REST Charge (per kWh) be under Staff Option A, minus \$19 million?
- (2) What would the Class Caps (Residential, Small Commercial, Large Commercial) be under Staff Option A, minus \$19 million?
- (3) What would the REST Charge (per kWh) be under Staff Option B, minus \$19 million?
- (4) What would the Class Caps (Residential, Small Commercial, Large Commercial) be under Staff Option B, minus \$19 million?

This information will be beneficial in my analysis and determination of this case.

Thank you,

Bob Stump  
Commissioner
