Nature of Complaint:

Please do not grant APS' request to raise our residential electric rates.

An economic recession is not the time to increase household costs.

Thousands are out of work, costs for food, transportation, and other household expenses are way up. Many homes are in foreclosure.

Those on Social Security have not seen a cost of living increase in nearly three years.

Please do the right thing here for the PEOPLE! I worked for one of the large very successful corporations for 33 years. I am retired. I just got notice that my ENTIRE retirement is now in jeopardy! And it was just cut \$1800 per month! I can not afford a single rate increase on ANYTHING and I must find ways to CUT my expenses in 1/2 from where they are now.

I am single, no family, no other income. And I'm one of the lucky ones! PLEASE do NOT RAISE OUR ELECTRIC RATE

It's time for banks, corporations and energy companies to take a few cuts of their own. We are all in this together!

Please protect our ability to pay smaller bills if we use less electricity.

I'm asking you - as an elected official - to vote against raising our electrical costs at this time!

Thank you.

Sincerely,

Arizona Corporation Commission
