Nature of Complaint:

Please do not grant APS' request to raise our residential electric rates.
An economic recession is not the time to increase household costs.
Thousands are out of work, costs for food, transportation, and other household expenses are way up. Many homes are in foreclosure.
Those on Social Security have not seen a cost of living increase in nearly three years. Where will it end? Everything goes up except our income. ENOUGH ALREADY!!!!
Please protect our ability to pay smaller bills if we use less electricity.
I'm asking you - as an elected official - to vote against raising our electrical costs at this time!

Thank you.

Sincerely,
