Subject: Additional Petitions in Support of Deconsolidation of The Anthem/Agua Fria Wastewater District

Attached are additional petitions signed by Anthem residents in support of deconsolidation of the Anthem/Agua Fria Wastewater District. These petitions are in addition to the previous files sent on November 4, 2011, November 11, 2011, November 18, 2011 and December 1, 2011. As of today, nearly 700 residents have taken the time to sign the petition and share their comments on why they support deconsolidation. On behalf of Anthem residents, the Anthem Community Council would like the attached information from the petitions docketed with the Arizona Corporation Commission as well as sent to the Commissioners deciding this case so they're aware of where Anthem stands on this important issue.

As additional petitions are collected, they will be docketed with the Arizona Corporation Commission and sent to the Commissioners to continue to inform them on why Anthem residents support deconsolidation.

PETITION IN SUPPORT OF THE DECONSOLIDATION OF
THE ANTHEM/AGUA FRIA WASTE WATER DISTRICT

SIGNED BY 37 CONSUMERS;

I, the undersigned, do hereby petition the Arizona Corporation Commission to approve deconsolidation of the Anthem/Agua Fria Wastewater District for the following reasons:

1. In Decision 72047, the Commission rejected statewide AND partial consolidation of any of Arizona-American Water Company's (AAWC) water and wastewater districts.
2. The Commission is on record stating that utility customers should pay for the 'cost of service' that is incurred by the provider of that service.
3. Under the current AAWC rate structure, customers of the Anthem portion of the consolidated Anthem/Agua Fria Wastewater District are the ONLY customers in the entire AAWC system who are paying MORE than the 'cost of service' and are subsidizing customers of other wastewater systems.
4. Anthem has offered a 3-year revenue-neutral transition plan that mitigates the rate shock to Agua Fria district customers.

Deconsolidation of the Anthem/Agua Fria Wastewater District will result in the consistent treatment of all customers within the Arizona-American Water Company's systems.

1. In Decision 72047, the Commission rejected statewide AND partial consolidation of any of Arizona-American Water Company's (AAWC) water and wastewater districts.
2. The Commission is on record stating that utility customers should pay for the "cost of service" that is incurred by the provider of that service.
3. Under the current AAWC rate structure, customers of the Anthem portion of the consolidated Anthem/Agua Fria Wastewater District are the ONLY customers in the entire AAWC system who are paying MORE than the "cost of service" and are subsidizing customers of other wastewater systems.
4. Anthem has offered a 3-year revenue-neutral transition plan that mitigates the rate shock to Agua Fria district customers.

Deconsolidation of the Anthem/Agua Fria Wastewater District will result in the consistent treatment of all customers within the Arizona-American Water Company's systems.

Thank you.

HARDFULL TO ANTHEM'S LOCAL ECONOMY TO CONTINUE
WITH SUCH HIGH RATES. THIS KIND OF BAD PR IS AND WILL
AFFECT HOME SALES PLUS EVERYTHING ELSE IN THE ANTHEM AREA.
I PERSONALLY OWN 17 BAD BUSINESSES, THE WAY THAT OUR WATER AND
