INSERT New Finding of Fact:

“We believe that customers who have benefitted by receiving incentives under the REST rules should provide an equitable contribution to future REST benefits for other customers. We will therefore require that residential, small commercial and large commercial customers who received incentives under the REST rules will pay a monthly REST charge equal to the per kWh REST charge for TEP multiplied by the average monthly residential kWh consumption of 869 kWh, average monthly small commercial kWh consumption of XXX kWh and average monthly large commercial kWh of xxx kWh, for TEP”
