INSERT New Finding of Fact:

“We believe that customers who have benefitted by receiving incentives under the REST rules should provide an equitable contribution to future REST benefits for other customers. We will therefore require that residential, small commercial and large commercial customers who received incentives under the REST rules will pay a monthly REST charge equal to the per kWh REST charge for APS multiplied by the average residential monthly kWh consumption of 1,100 kWh, average small commercial monthly kWh consumption of XXX kWh or average large commercial monthly kWh consumption of XXX kWh, for APS.”
