Re: Notice of Compliance – Tucson Electric Power Company
Decision No. 72031, Docket No. E-00000D-09-0020

In Finding of Fact 7(e)(1)(iii) of Decision No. 72031 (December 10, 2010), the Commission ordered that:

By December 31, 2011, substantially complete contractual negotiations with affected parties over cost responsibility, wheeling arrangements, Engineering, Procurement and Construction (“EPC”), operations and maintenance, etc. (described as pending items in the CCSG 2009 report), and file a draft memorandum of understanding among affected parties addressing these items with the Commission.

Tucson Electric Power Company (“TEP”) hereby gives notice that on December 30, 2011, Southwest Transmission Cooperative, Inc. filed the progress report on behalf of the Cochise County Study Group, including TEP. Therefore, TEP has complied with the filing requirements in Decision No. 72031. Please contact me if you have any questions.

Sincerely,

Jessica Bryne
