Page 56, Line 6, INSERT new ordering paragraph:

“IT IS FURTHER ORDERED that Arizona Public Service Company be granted a waiver from A.A.C. R14-2-2404(E) to allow Arizona Public Service Company to also count toward meeting the Energy Efficiency Standard in A.A.C. R14-2-2404, for 2012 through 2020, up to one third of the energy savings resulting from energy efficiency appliance standards, if the energy savings are quantified and reported through a measurement and evaluation study undertaken by Arizona Public Service Company, and Arizona Public Service Company demonstrates and documents its efforts in support of the adoption or implementation of the energy efficiency appliance standards.”

Page 56, Lines 25 – 27, DELETE:

“IT IS FURTHER ORDERED that the Energy Codes & Standards Support Project be renamed the Energy Building Codes Support Project to reflect that only savings from improved building codes, and not appliance standards, are eligible to be counted under the standard.”
