Nature of Complaint:

Docket No. E-01345A-11-0224

Dear Commissioners,

please REJECT the request from APS to raise its customer rates. Our electric rates are very high already and many people are struggling in the current economic depression.

APS is already charging us for every conceivable detail of it operations, and apparently want to make even more off us, captive customers. Please do not let them fleece us even more. Thank you.
