RE: **ADMINISTRATIVE CLOSURE - IN THE MATTER OF THE APPLICATION OF TELRITE CORPORATION, FOR APPROVAL OF A CERTIFICATE OF CONVENIENCE AND NECESSITY TO PROVIDE FACILITIES-BASED LOCAL EXCHANGE TELECOMMUNICATIONS SERVICES (DOCKET NO. T-04288A-07-0409)**

On July 5, 2007, Telrite Corporation ("Telrite") filed an Application for a Certificate of Convenience and Necessity ("CC&N") to provide facilities-based local exchange telecommunications services within the State of Arizona. Telrite was granted authority to provide resold interexchange telecommunications services in Arizona on May 5, 2005 in Decision No. 67812.

Staff sent a Letter of Insufficiency and its First Set of Data Requests to Mr. Nowalsky on August 15, 2007. Staff has not received any response to its First Set of Data Requests.

On August 14, 2009, the Hearing Division of the Commission issued a Procedural Order requesting Staff to provide an update on Telrite's Application. Staff provided an update as requested by the Hearing Division on September 18, 2009.

On January 18, 2012, Staff received a notice from Telrite to withdraw its Application in this docket. Staff does not object to the withdrawal of Telrite's Application. As a result, this docket should be closed.

Staff recommends that Docket No. T-04288A-07-0409 be administratively closed.
