Re: Certified Water Operator(s)

As ordered as a compliance item in this docket, Cerbat Water Company is demonstrating that it has 2 certified water operators. The ADEQ Operator Certification Database search results page is included in this filing. Michael Neal is our primary water operator. B. Marc Neal is also a certified operator for Cerbat Water Company. Unfortunately, Marcus Neal who is also a certified operator no longer works for us due to necessary budget cuts. The Operator Certification Program Coordinator at ADEQ can be contacted at 602-771-4638 if needed.

Please contact me any time if you have any questions.

Respectfully
