**PART II - LONG DISTANCE**

**SECTION 4 - APPLICATION OF RATES AND CHARGES (Continued)**

**4.2 Description of Services (Continued)**

**4.2.14 Simple Connections Service (Continued)**

**B. Conditions/Restrictions (Continued)**

When a term commitment expires, Customer will have 30 days from the expiration date of such commitment to select another Carrier service plan. If Customer fails to select another plan, within this 30 day period, rates corresponding to the Enterprise Connections one year term plan with a \$6,000.00 annual commitment will be imposed automatically and without further advance notice to Customer. The rates under this plan will be effective on the 31<sup>st</sup> day following expiration of Customer's term commitment. While the rates will apply, the annual commitment and one year term will not. The term will be a month-to-month term and can be terminated by Customer or Carrier with 30 days notice.

(C)  
 |  
 (C)

Customer can only choose month-to-month rates one time during their enrollment in Simple Connections and then upgrade to a term plan in a one-year period.

**C. Rating of Calls**

Calls will be sub-minute rated based on an initial period of 18 seconds, with the additional periods being billed in six-second increments thereafter.

**D. Minimum Revenue Commitment**

If Customer does not achieve the minimum annual commitment level selected, they will be assessed the incremental difference annually. For example, if Customer commits to \$3,000 annually and the actual long distance usage is \$2,000, Customer will be billed for the \$1,000 shortfall. In addition, the current rates will be re-negotiated based on the new adjusted commitment level. There will be no shortfall penalty imposed for Customers that sign up for the \$0 - \$2,999 level.

**E. Early Termination Charges**

If Customer terminates the contract prior to fulfillment of the term selected, an Early Termination Charge (ETC) of 40% of Customer's annual commitment will be billed to Customer for the number of years remaining under the customer-selected commitment.

Customer will not be liable for termination charges for a specified service if a new service of the same type and of greater value is ordered, and the order is received by Carrier during the same calendar year in which the original service is discontinued by Customer, provided the expiration date of the contract plan for the new service is on or after the expiration date of the terminated plan.
