Re: Notice of Filing – Tucson Electric Power Company’s Semi-Annual DSM Report
Docket Nos. E-01933A-07-0402 and E-01933A-05-0650, Decision No. 70628

Pursuant to ACC Decision No. 70628 (December 1, 2008) and Section 9.6 of the Tucson Electric Power Company Proposed Rate Settlement Agreement, dated May 29, 2008, Tucson Electric Power Company (“TEP”) is required to submit semi-annual Demand-Side Management (“DSM”) program progress reports on March 1st and September 1st of each year in accordance with Commission Staff’s recommendations. On January 31, 2011 TEP filed its Energy Efficiency Implementation Plan wherein TEP requested that this reporting requirement be superseded by the reporting requirement in the A.A.C. R14-2-2409. The Commission has yet to approve TEP’s Implementation Plan; however, in compliance with Arizona Administrative Code R14-2-2409.A TEP submitted the annual DSM Progress Report for 2011 in Docket No. E-00000C-12-0068. Please see the report filed on March 1, 2012 in that docket for the required information.

If you have any questions, please contact me at (520) 884-3680.
