RE: **ADMINISTRATIVE CLOSURE – IN THE MATTER OF THE ARIZONA CORPORATION COMMISSION, ON ITS OWN MOTION, TO ESTABLISH AN ARRAY OF PUBLIC RAIL/HIGHWAY GRADE CROSSINGS THROUGHOUT THE STATE OF ARIZONA. (DOCKET NO. RR-00000E-01-0250)**

The Arizona Corporation Commission (“Commission”), pursuant to law, annually must submit to the Railroad Companies, Cities, Counties and the Arizona Department of Transportation (“ADOT”), an array of Public Rail/Highway Grade Crossings where the installation of automatic warning signals or devices should occur. This array is used as a planning tool by these agencies for grade crossing upgrades. On February 17, 2000, the Commission issued Decision No. 62301, which approved certain grade crossings for an array. Staff subsequently recommended ten additional crossings and those ten crossings were approved in Decision No. 63633 (May 4, 2001). There are no on-going compliance filings necessary to be filed in this docket. Therefore, Staff recommends that this docket be administratively closed.
