REQUEST FOR CONSOLIDATION OF RATE DOCKET NO. ~~W-04015A-12-0051~~
AND FINANCING DOCKET NO. W-04015A-12-0050

Great Prairie Oasis LLC dba Sunland Water Company ("Sunland") hereby requests the consolidation of the Rate Case, Docket No. W-0451A-12-005 and the Financing Case, Docket No. W-04015A-12-0050. The application for the rate change includes both the increase necessary to cover monthly operating costs, and the debt service for a \$125,000 WIFA loan. The WIFA loan is necessary to make improvements to be in compliance with EPA and ADEQ standards for arsenic by **March 2013**. The rate increase and loan are not for expansion of service but to **continue service**.

Sunland requests that both applications be processed together to facilitate the decision by the Commission which would allow Sunland to proceed with the WIFA application for the loan. Although Sunland has been accepted by WIFA on its expedited list of applicants, the actual processing of the loan application will not commence until financing approval by ACC.

Without the rate increase Sunland will be unable to secure financing to make the necessary improvements to meet EPA and ADEQ arsenic standards. Sunland does not anticipate that either entity will give exemptions from meeting those standards in March 2013.

Sincerely,
