**RE: Consumer comments in support of SW Gas energy efficiency programs,
G-01551A-11-0344**

Dear Chairman Pierce and Commissioners,

I am Southwest Gas (SW Gas) customer who wants you to support the energy efficiency programs and program budgets proposed by SW Gas in their energy efficiency implementation plan.

I am willing to invest in energy efficiency on my bill because I understand that energy conservation programs will keep energy costs lower for everyone, reduce pollution and water use, and create jobs in my community. If we don't invest in energy efficiency, we guarantee ourselves higher energy bills in the future as SW Gas will build unnecessary infrastructure and buy more fuel from and send jobs out of state.

I encourage you to protect the interests of today and tomorrow's ratepayers by supporting these important programs.

Thank you for considering my comments.

Sincerely,
Mr. Cal Lash
