Commissioner Pierce.

I just received my HOA bill and am appalled to see that my fees are going up 10% because of the approval your commission gave to Arizona American Water! This on top of the increase costs for my water. You guys really let us down. My pay isn't increasing one cent so I have to cut back and spend less money in other places which I already am doing because of high gas prices. You can count on me voting you and the rest of the commissioners out when your time is up.

Sincerely,
Samuel D Darby
