Dear Patricia Olsen:

This letter is being written to notify you of the expiration (April 5, 2012) of your administrative extension for your approved Use Permit, hearing application number HA# H9139. The extension was granted for the period of one (1) year in order to obtain a Certificate of Compliance. The Board of Supervisors approved your request to construct a well site to service the Montezuma Rimrock Water Company on March 15, 2010. Stipulation number 5 of the approval states "Certificate of Compliance to be issued within one year of Board of Supervisors approval demonstrating that the use is operating in compliance with all applicable local, state and federal regulations".

Staff is formally revoking your Use Permit to allow the operation of Well #4 as part of the Montezuma Rimrock Water Company as of April 5, 2012.

Per Section 582.7., *Decisions by the Development Services Director which result in the voiding of a UP may be appealed to the Board of Supervisors, subject to an application for appeal being on file in the Development Services Department within thirty (30) days of notification of the UP being voided.* If you choose to appeal staffs decision, please have an appeal on file to the Development Services Department by May 10, 2012.
